## 3.2. Intellectual Property Rights

### PROTECTION OF INTELLECTUAL PROPERTY RIGHTS AT HKTDC EXHIBITIONS

#### Exhibitors' Brief

The Hong Kong Trade Development Council (referred to below as "**TDC**", "**Organizer**", "**we**", "**our**" or "**us**"), the statutory body promoting Hong Kong's international trade, is committed to fostering original design and safeguarding intellectual property rights.

We have on-the-spot procedures at our trade fairs for handling any complaint that a product on display infringes someone else's intellectual property rights. These complimentary procedures are not the only way in which complainants can file complaints. Complainants can also file complaints with Hong Kong Customs and Excise Department and/or the Courts of Hong Kong.

These procedures, carried out with our legal advisors ("**Legal Advisors**"), are designed to help establish whether there is a case to answer so that complaints may either be pursued or resolved promptly.

Our aim is as much to protect the rights of individual exhibitors to be promptly cleared of unfounded complaints as it is to uphold their obligation to respect the intellectual property rights of others.

In this respect, the attention of all exhibitors ("**Exhibitors**"), is drawn to Clause 43 of the conditions of participation, setting out rights and obligations of exhibitors at HKTDC exhibitions, which is set out below for ease of reference:

The Exhibitor warrants that the exhibits and packages thereof and the Publicity Material or any other part of the display on the Stand do not in any way whatever violate or infringe any third party's rights including all intellectual property rights including but not limited to trade marks, copyright, designs, names, and patents whether registered or otherwise. The Exhibitor agrees to fully indemnify the Organiser and its agents, representatives, contractors and employees against all costs, expenses and damages arising from any third party's claim of infringements by the Exhibitor and/or the Organiser and/or the latter's agents, representatives, contractors or employees of such third party's rights.

The Exhibitor agrees that it shall comply with any "Exhibitors' Brief on the Protection of Intellectual Property Rights at HKTDC Exhibitions" ("**Exhibitors' Brief**") that the Organiser may issue from time to time, including abiding by any complaint procedures and penalties stated in the Exhibitors' Brief, whether as a Complainant of infringement of intellectual property right or as a party subject to any such complaint. If the Exhibitor fails or refuses to abide by any of the terms and conditions of the Exhibitors' Brief, the Organiser shall have the sole and absolute discretion to ban the Exhibitor and any of its representatives, parent, associate, affiliated, and/or subsidiary companies and/or any brand(s) which it or they represented, represents or may represent from any or all future exhibitions, and/or to further ban any representatives of the Exhibitor in question from entering the venue of the current HKTDC Exhibition in which the Exhibitor is participating.

If a complainant ("**Complainant**") files a complaint with the Organiser in accordance with the Exhibitors' Brief and requests the Organiser to take action against an Exhibitor, the Complainant agrees to hold the Organiser, its agents, representatives, contractors and employees (including but not limited to their Legal Advisors) harmless and to fully indemnify each and every one of them against any and all liabilities, losses, costs (including but not limited to legal costs), expenses and damages of any nature whatsoever incurred or suffered by any of them as a result of or however arising from any action that the Organiser, its agents, representatives, contractors or employees (including but not limited to their legal advisors) may take in reliance of or as result of such complaint filed by the complainant, or any other requests, directions or instructions made or given by the complainant pursuant to such complaint. The complainant further agrees not to take any legal action or make any claim or demand against the Organiser, its agents, representative, contractors or employees (including but not limited to their legal advisors) in relation to such complaint and the alleged infringement of intellectual property rights.

## Procedures

1. If you have any complaint involving infringement of your intellectual property rights, this should be reported to the Fair Management Office, where it will be handled by HKTDC Fair Officials and the Legal Advisors engaged by HKTDC.
2. If you receive a complaint at your booth, you should refer the Complainant to the Fair Management Office.
3. Both the documents attached to the Exhibitors' Brief and the Fair Legal Advisor on site will specify the kind of documents and other evidence necessary to support a complaint.
4. If the Legal Advisors are satisfied, on the basis of the documents provided, that the complaint's intellectual property rights are valid and have been infringed by the display of the Exhibitors' product or material in dispute at the Fair, a HKTDC Fair Official will visit the booth involved.
5. The Fair Legal Advisor will also visit the HKTDC's website ([www.hktdc.com](http://www.hktdc.com)) to check whether the product or any material in dispute is displayed on the said website. If so, the HKTDC has the sole and absolute discretion to disable the link or otherwise take down / remove the disputed product or material from the Organizer's website in accordance with the HKTDC's *Terms & Conditions for Printed Advertisement & Online Promotion* without further notice.
6. As Fair Organizer, HKTDC has the power to immediately take at least 3 photographs of the product or any material in dispute.
7. The exhibitor will be asked to remove the product or material in dispute immediately from display and not to trade in it for the remainder of the exhibition unless he/she can adduce evidence to show to the satisfaction of the Fair Legal Advisor that he/she has the right to deal in such product or material. He/she will also be required to sign an undertaking immediately to this effect. A copy of the signed undertaking and one copy of the photograph will be given to the complainant and the Exhibitor. A further copy of the signed undertaking together with one copy of the photograph will be retained by the HKTDC for its records.
8. If the HKTDC is notified by the Customs and Excise Department that it is investigating possible violation of copyright and/or trademark by an Exhibitor at the Fair, the Exhibitor will be required to immediately remove the product or material which is under investigation for the remainder of the fair.
9. If the exhibitor fails or refuses to co-operate with HKTDC under paragraphs 6 and/or 7 and/or 8 above, HKTDC shall have the power, in its sole and absolute discretion, to ban the Exhibitor and any of its representatives, parent, associate, affiliated and / or subsidiary company, from any or all future HKTDC exhibitions.
10. HKTDC staff will visit any booth in respect of which a complaint has been received and accepted by HKTDC's Legal Advisors, in order to reconfirm that the disputed product or material is no longer on display and is not being traded. If the Exhibitor is found to have breached its undertaking not to display or deal with the product or material in dispute during the remaining period of the Fair, HKTDC shall have the right and power, at its sole and absolute discretion, to immediately terminate the right of participation in the Fair in question of the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies without any refund of the participation fee already paid and to ban the Exhibitor and any of its representatives, parent, associate, affiliated and / or subsidiary company from any or all future HKTDC exhibitions.

### **3.22. Caution on Third Party Promotional Offers from Fair Guide/Expo Guide**

The Hong Kong Trade Development Council (HKTDC) has learnt that exhibitors have been receiving invitations from Fair Guide (owned by Construct Data) for listings in its guide at the exhibitors' expense. It has also come to HKTDC's attention that another company under the name Expo Guide (owned by Commercial Online Manuals S de RL de CV ("Commercial Online Manuals")) has sent similar invitations to exhibitors inviting them to update or correct their data with its fair directory for free listing. The HKTDC would like to stress that neither the Fair Guide nor the Expo Guide has any connection with the HKTDC or any of our fairs.

UFI, an international organization which represents the interests of the exhibition industry worldwide has been warning the exhibition industry to be vigilant against Fair Guide, Expo Guide, Construct Data, Commercial Online Manuals and other similar guides and organisations. UFI has also reported that debt collection agencies work in partnership with these guides to intimidate exhibitors for payment. The practice of Construct Data has been considered as unconscionable and misleading by the Austrian Protective Association. Recent information suggests that Construct Data has shifted its operation from Austria to Mexico and/or Slovakia.

It should be noted that the contents and wording of Fair Guide's and Expo Guide's letter and order form are virtually identical. It is possible that Construct Data and Commercial Online Manuals are related companies or are in some way connected. You should therefore exercise due diligence and care when being approached for such invitations so as to avoid possible unwarranted and/or unnecessary financial commitments. In order to protect your own interests, you are urged to read the contracts (including the small print) and attachments carefully, as well as seeking legal advice, before signing any such documents.

The HKTDC does not recommend that you sign any materials that you receive from Construct Data, and/or Commercial Online Manuals. If you have mistakenly entered into contract with Construct Data and/or Commercial Online Manuals, you should notify Construct Data and/or Commercial Online Manuals in writing and inform them that you dispute the validity of the contract on the basis of mistake and/or misrepresentation. You should take legal advice as to how to respond to any demands for payment that you might receive.

For more information about UFI's action against Fair Guide, Expo Guide, Construct Data, please visit <http://www.ufi.org/pages/thetradeairsector/fairguide.aspx>

### **3.23. Smok-Free Policy**

Health and Comfort Come First

This is in line with best international practices and the wishes of visitors and event participants. It also reflects the venue manager's commitment to providing a comfortable, health-conscious environment at this world-class facility.

### **3.24 Compliance with Applicable Laws and Regulations**

Exhibitors are strongly advised to consult their own legal advisors, relevant government authorities and relevant professional bodies before applying for participation in the Exhibition to ensure that they are able to comply with all applicable laws, regulations, codes of practice and guidelines governing the exhibition, promotion and supply of their products and/or services in

Hong Kong, including without limitation, the following legislations:

### 3.25.2. Security Precautions

The Organiser is responsible for the general security of the entire venue and will take all necessary measures to safeguard the property of the exhibitors. However, it is not possible to solely rely on the Organiser's efforts to prevent crime. To prevent loss of items stored or displayed **within the confines of an exhibitor's booth**, exhibitors are required to observe and follow the following guidelines strictly:

### 3.25.3. Manning of Booth

Please ensure that your stand is manned **at all times** by alert staff. Never leave property unattended, even for a few seconds. Shoplifters come in many guises and you have to be on your guard at all times. They work in many ways but most of the time relies on working quickly using a moment's inattention to allow them to slip something into their pocket or open bag.

The biggest deterrent to shoplifters is simply being seen. Alert staff is a big help. Brief your duty staff on the importance of security precautions and make sure that they have view of the whole stand and that there are no blind spots.

### 3.25.4. Identity Tags

Where possible all items on sale and on display should carry a tag showing the price and the name of your company. This way there can be no argument about how much the item costs and which booth it came from.

### 3.25.5. Delivery of Exhibits

Exhibits should not be sent to the venue until the stands are readily constructed. Exhibitors should arrange for a representative to be at the stand to receive goods as the Organiser will not accept or sign for any goods, exhibits or other materials on behalf of any exhibitors.

### 3.25.6 Storing of Exhibits

Exhibitors should make direct arrangements with your own freight forwarder or agent for move-in, storing, and removal of your valuable exhibits. A temporary storage will be constructed for storing promotional leaflets and showcases. No valuables should be stored there. The Organiser is not liable for any loss or damage of the stored goods.

Due to the limited amount of space, once the storage is full, exhibitors should make direct arrangements with the freight forwarder of your choice.

If you have a purpose-built storeroom or a safe within your stand, please make sure that it is kept locked **at all times** and the key is in the custody of a trustworthy employee. Likewise, to make sure there is no opportunity for theft, the showcases and the display counters within your booth should be locked immediately after you take out exhibits for showing to customers. Slack security is a big temptation to thieves.

To protect your duty staff's personal possessions, please advise them to lock up their handbags and wallets in cabinets and personal handbags etc. Should never be allowed unattended on the floor or on the desk.

### 3.25.7 Replenishment of Exhibits

In order to reduce waste and protect the environment as good corporate citizens, exhibitors should ensure that all recyclable goods, exhibits and/or materials (including but not limited to edible packaged food and other food waste) shall not be disposed of as refuse/waste and shall be recycled, donated to the appropriate charities and/or fully removed from the exhibition venue. Wastepaper and other recyclable wastes shall be disposed of at the relevant recycle bins in the exhibition venue. The Organiser shall not be liable for any loss or damage of goods, exhibits, materials and/or stand materials left behind at the exhibition venue. All such goods, exhibits and/or materials shall be deemed abandoned and may be disposed of by the Organiser at its sole and absolute discretion and at the expense of the exhibitor concerned. All proceeds (if any) of such disposal shall be retained by the Organiser.

If an exhibitor fails to comply with any of the above requirements relating to the removal, recycling, donation and/or disposal of goods, exhibits, materials, rubbish and/or refuse, the Organiser reserves the right to penalize such exhibitor at its sole and absolute discretion, including but not limited to requiring the exhibitor concerned to pay a performance bond or any extra deposit for the exhibitor's application to participate at any future Fairs, delaying the exhibitor's turn in selecting a stand at any future Fairs, and/or to ban the exhibitor from participating in any future Fairs.

Depending on the number of concurrent special events and the projected traffic flow of visitors, the special events are subject to be rescheduled to another time slot. Also, should a special event incur roadblocks or other inconvenience to visitors, the Organiser reserves the right to give a halt on such special event.
