

3.2. Intellectual Property Rights

Exhibitors' Brief on the Protection of Intellectual Property Rights at TDC Exhibitions

The Hong Kong Trade Development Council (referred to below as "**TDC**", "**Organizer**", "**we**", "**our**" or "**us**"), the statutory body promoting Hong Kong's international trade, is committed to fostering original design and safeguarding intellectual property rights.

We have on-the-spot procedures at our trade fairs for handling any complaint that a product on display infringes someone else's intellectual property rights. These complimentary procedures are not the only way in which complainants can file complaints. Complainants can also file complaints with Hong Kong Customs and Excise Department and/or the Courts of Hong Kong.

These procedures, carried out with our on-call legal advisor, are designed to help establish whether there is a case to answer so that complaints may either be pursued or resolved promptly. Our legal advisors will be on-call during the opening hours of our trade fairs and will attend our office within a reasonable time upon notification by us to handle any complaint filed in accordance with the Exhibitor's Brief. Our aim is as much to protect the rights of individual exhibitors to be promptly cleared of unfounded complaints as it is to uphold their obligation to respect the intellectual property rights of others.

In this respect, the attention of all exhibitors ("**Exhibitors**") is drawn to Clause 43 of the conditions of participation, setting out rights and obligations of exhibitors at TDC exhibitions, which is set out below for ease of reference:

The Exhibitor warrants that the exhibits and packages thereof and the Publicity Material or any other part of the display on the Stand do not in any way howsoever violate or infringe any third party's rights including all intellectual property rights including but not limited to trade marks, copyright, designs, names, and patents whether registered or otherwise. The Exhibitor agrees to fully indemnify the Organizer and its agents, representatives, contractors and employees against all costs, expenses and damages arising from any third party's claim of infringements by the Exhibitor and/or the Organizer and/or the latter's agents, representatives, contractors or employees of such third party's rights.

The Exhibitor agrees that it shall comply with any "Exhibitors' Brief on the Protection of Intellectual Property Rights at TDC Exhibitions" ("**Exhibitors' Brief**") that the Organizer may issue from time to time, including abiding by any complaint procedures and penalties stated in the Exhibitors' Brief, whether as a Complainant of infringement of intellectual property right or as a party subject to any such complaint. If the Exhibitor fails or refuses to abide by any of the terms and conditions of the Exhibitors' Brief, the Organizer shall have the sole and absolute discretion to ban the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies from any or all future TDC exhibitions and/or to further ban any representatives of the Exhibitor in question from entering the venue of the current TDC Exhibition in which the Exhibitor is participating.

If a complainant ("**Complainant**") files a complaint with the Organizer in accordance with the Exhibitors' Brief and requests the Organizer to take action against an Exhibitor, the Complainant agrees to hold the Organizer, its agents, representatives, contractors and employees (including but not limited to their Legal Advisors) harmless and to fully indemnify each and every one of them against any and all liabilities, losses, costs (including but not limited to legal costs), expenses and damages of any nature whatsoever incurred or suffered by any of them as a result of or however arising from any action that the Organizer, its agents, representatives, contractors or employees (including but not limited to their Legal Advisors) may take in reliance of or as result of such complaint filed by the complainant, or any other requests, directions or instructions made or given by the complainant pursuant to such complaint. The Complainant further agrees not to take any legal action or make any claim or demand against the Organizer, its agents, representative, contractors or employees (including but not limited to their Legal Advisors) in relation to such complaint and the alleged infringement of intellectual property rights.

Procedures

1. If you have any complaint involving infringement of your intellectual property rights, this should be reported to the Fair Management Office, where it will be handled by HKTDC Fair Officials and the on-call Fair Legal Advisor engaged by HKTDC (the “**Fair Legal Advisor**”). The Fair Legal Advisor will be on-call during the opening hours of HKTDC’s trade fairs and will attend the HKTDC’s office within a reasonable time upon notification by the HKTDC to handle any complaint filed in accordance with the Exhibitor’s Brief.
2. If you receive a complaint at your booth, you should refer the Complainant to the Fair Management Office.

5. The Fair Legal Advisor will also visit the HKTDC’s website (www.hktdc.com) to check whether the product or any material in dispute is displayed on the said website. He/she will also be required to sign an undertaking immediately to this effect. A copy of the signed undertaking and one copy of the photograph will be given to the Complainant and the Exhibitor. A further copy of the signed undertaking together with one copy of the photograph will be retained by the TDC for its records.

If the TDC is notified by the Customs and Excise Department that it is investigating possible violation of copyright and/or trademark by an Exhibitor at the Fair, the Exhibitor will be required to immediately remove the product or material which is under investigation for the remainder of the Fair.

If the Exhibitor fails or refuses to co-operate with TDC under paragraphs 6 and/or 7 and/or 8 above, TDC shall have the right and power, in its sole and absolute discretion, to ban the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies, from any or all future TDC exhibitions.
10. TDC staff will visit any booth in respect of which a complaint has been received and accepted by TDC’s Legal Advisors, in order to reconfirm that the disputed product or material is no longer on display and is not being traded. If the Exhibitor is found to have breached its undertaking not to display or deal with the product or material in dispute during the remaining period of the Fair, TDC shall have the right and power, at its sole and absolute discretion, to immediately terminate the right of participation in the Fair in question of the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies without any refund of the participation fee already paid , and to ban the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies from any or all future TDC exhibitions.

3.21. Waste Reduction and Recovery Measures

To protect our environment, the following guidelines on Waste Reduction and Recovery are recommended:

Waste Avoidance and Minimization

- a. Setting up of exhibition booth
 - Use re-erectable booth to reduce the amount of waste generated
 - Avoid using energy-intensive appliances
 - Use energy-saving lightings
- b. Selection of decoration material
 - Use environmentally-friendly materials (e.g. recycled materials).
- c. Production of publicity materials
 - Print publicity materials on recycled paper or recyclable paper with environmentally-friendly ink.
 - Minimize the number of publicity materials printed.
 - Avoid plastic covers for printed matters.
 - Utilise publicity via e-channels such as e-brochures and e-leaflets and provide QR code to download
 - Choose green promotional giveaways while minimizing their packaging materials
- d. Distribution of bags
 - When distribution of bags is necessary, use re-usable bags or bio-degradable bags instead of plastic bags.

Waste Reuse and Recycling

The locations of large waste recycling bins should be familiarized and staff should be assigned to recycle all recyclable materials:

3.22. Caution on Third Party Promotional Offers from Fair Guide/ Expo Guide/ Event Fair/ AVRON/ International Fairs Directory)

It has come to the Organiser's attention that some exhibition/trade directories or organisations have sent invitations to exhibitors inviting them to update or correct their data with their fair directories and subsequently claimed exhibitors for fees.

These directories and organisations include but are not limited to the following:

- Fair Guide (owned by Construct Data)
- Expo Guide (owned by Commercial Online Manuals S de RL de CV ("Commercial Online Manuals"))
- Event Fair - The Exhibitors Index, and
- FAIR-Guide (owned by Avron s.r.o.).
- AVRON
- International Fairs Directory

The Organiser would like to stress that neither the Fair Guide, the Expo Guide, the Event Fair the FAIR-Guide, AVRON nor the International Fairs Directory has any connection with the Organiser or any of our fairs.

UFI, an international organization which represents the interests of the exhibition industry worldwide has been warning the exhibition industry to be vigilant against Fair Guide, Expo Guide, Construct Data, Commercial Online Manuals and other similar guides and organizations such as Event Fair, AVRON and International Fairs Directory. UFI has also reported that debt collection agencies work in partnership with these guides to intimidate exhibitors for payment. The practice of Construct Data has been considered as unconscionable and misleading by the Austrian Protective Association. Recent information suggests that Construct Data has shifted its operation from Austria to Mexico and/or Slovakia.

It should be noted that the contents and wording of Fair Guide's and Expo Guide's letter and order form are virtually identical. It is possible that Construct Data and Commercial Online Manuals, Event Fair, AVRON and International Fairs Directory are related companies or are in some way connected. You should therefore exercise due diligence and care when being approached for such invitations so as to avoid possible unwarranted and/or unnecessary financial commitments. In order to protect your own interests, you are urged to read the contracts (including the small print) and attachments carefully, as well as seeking legal advice, before signing any such documents.

The Organiser does not recommend that you sign any materials that you receive from Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory. If you have mistakenly entered into contract with Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory, you should notify Construct Data, Commercial Online Manuals, Event Fair, AVRON, and/or International Fairs Directory, in writing and inform them that you dispute the validity of the contract on the basis of mistake and/or misrepresentation. You should take legal advice as to how to respond to any demands for payment that you might receive.

For more information about UFI's action against Fair Guide, Expo Guide, Construct Data, Event Fair, AVRON and International Fairs Directory, please visit <http://www.ufi.org/industry-resources/warning-construct-data/>

3.23. Smok-Free Policy

Health and Comfort Come First

3.25. Important Points to Note

3.25.1 On-Site staff regarding working visa

All exhibitor representatives who are not ordinarily residing in Hong Kong will be required to obtain a “Temporary Working Visa” when they participate in a fair in Hong Kong involving retail sales activities. Alternatively, a local worker/local representative may be employed to conduct retail sales activities.

Any person who contravenes a condition of stay in force in respect of him shall be guilty of an offence. Should any exhibitor representative fail to comply with the above regulation, the Organiser has the sole discretion to terminate the exhibitor’s participation in the HKTDC Home Delights Expo with immediate effect and/or to ban the company from participating in any or all future HKTDC exhibitions.

During the Home Delights Expo (including move-in and move-out days), exhibitors who would like to appoint non-HK residents to work at the booths, please note the Hong Kong Immigration Regulations.

Under the Hong Kong Immigration Regulations, permission given to a person to land in Hong Kong as a visitor shall be subject to the conditions of stay that he shall not take any employment whether paid or unpaid; establish or join in any business; and become a student at a school, university or other educational institution.

Under the existing Immigration policy of Hong Kong, a foreign national who wishes to come to Hong Kong to take up residence for employment, training, study at a school, join in any business or join any Hong Kong resident as his/her dependant should apply for an appropriate visa before entry. Application for change of status after arrival as a visitor will normally not be considered.

Non-HK resident exhibitors who would conduct retail activities during at the exhibition have to apply for the appropriate visa. For any question, please contact the Immigration Department. 【Tel: (852) 2829-3194, Fax: (852) 2136-6334,

Website: <https://www.immd.gov.hk/eng/services/index.html> or email: enquiry@immd.gov.hk】

Non-working visa holders may wish to hire local temporary helpers to conduct retail sales. Please refer to page 75-76 for a list of temporary helper agencies.

3.25.2. Security Precautions

The Organiser is responsible for the general security of the entire venue and will take all necessary measures to safeguard the property of the exhibitors. However, it is not possible to solely rely on the Organiser’s efforts to prevent crime. To prevent loss of items stored or displayed ***within the confines of an exhibitor’s booth***, exhibitors are required to observe and follow the following guidelines strictly:

3.25.3. Manning of Booth

Please ensure that your stand is manned **at all times** by alert staff. Never leave property unattended, even for a few seconds. Shoplifters come in many guises and you have to be on your guard at all times. They work in many ways but most of the time relies on working quickly using a moment's inattention to allow them to slip something into their pocket or open bag.

The biggest deterrent to shoplifters is simply being seen. Alert staff is a big help. Brief your duty staff on the importance of security precautions and make sure that they have view of the whole stand and that there are no blind spots.

3.25.4. Identity Tags

Where possible all items on sale and on display should carry a tag showing the price and the name of your company. This way there can be no argument about how much the item costs and which booth it came from.

3.25.5. Delivery of Exhibits

Exhibits should not be sent to the venue until the stands are readily constructed. Exhibitors should arrange for a representative to be at the stand to receive goods as the Organiser will not accept or sign for any goods, exhibits or other materials on behalf of any exhibitors.

3.25.6 Storing of Exhibits

Exhibitors should make direct arrangements with your own freight forwarder or agent for move-in, storing, and removal of your valuable exhibits. A temporary storage will be constructed for storing promotional leaflets and showcases. No valuables should be stored there. The Organiser is not liable for any loss or damage of the stored goods.

Due to the limited amount of space, once the storage is full, exhibitors should make direct arrangements with the freight forwarder of your choice.

If you have a purpose-built storeroom or a safe within your stand, please make sure that it is kept locked **at all times** and the key is in the custody of a trustworthy employee. Likewise, to make sure there is no opportunity for theft, the showcases and the display counters within your booth should be locked immediately after you take out exhibits for showing to customers. Slack security is a big temptation to thieves. To protect your duty staff's personal possessions, please advise them to lock up their handbags and wallets in cabinets and personal handbags etc. Should never be allowed unattended on the floor or on the desk.

3.25.7 Replenishment of Exhibits

Exhibitors can replenish their exhibits or goods to be sold during the fair period at the following time slots only:

17-21 August 2023 8:15 am - 9:30 am

Exhibitors have to take all precautions to avoid causing danger to the visitors when replenishing the stocks to your booth(s) from the temporary storage area during the fair opening hours. When replenishing the stocks, there must be least 2 staff members taking care of the trolley. Trolleys must be equipped with rubber

protection borders. Exhibitors are required to follow any additional safety measures if requested and the Organiser reserves the right to prevent exhibitors from using trolleys to replenish stock if the fairground is too crowded.

3.25.8 Demonstration of Exhibits

Exhibitors wishing to carry out demonstrations of any kind must ensure that their practices will in no way constitute fire or safety hazards or interfere with the activities of visitors or other exhibitors. The Organiser reserves the right to terminate or curtail any practice which it considers to be detrimental to the exhibition.

3.25.9 Removal of Exhibits

“Removal of exhibits may commence only after 6 p.m. on 21 August 2023. Exhibitors, their agents and/or contractors are responsible for the complete removal from the Hong Kong Convention and Exhibition Centre and its vicinity of all goods, exhibits and materials used by or belong to them, together with all rubbish and other refuse. In order to reduce waste and protect the environment as good corporate citizens, exhibitors should ensure that all recyclable goods, exhibits and/or materials (including but not limited to edible packaged food and other food waste) shall not be disposed of as refuse/waste and shall be recycled, donated to the appropriate charities and/or fully removed from the exhibition venue. Wastepaper and other recyclable wastes shall be disposed of at the relevant recycle bins in the exhibition venue. The Organiser shall not be liable for any loss or damage of goods, exhibits, materials and/or stand materials left behind at the exhibition venue. All such goods, exhibits and/or materials shall be deemed abandoned and may be disposed of by the Organiser at its sole and absolute discretion and at the expense of the exhibitor concerned. All proceeds (if any) of such disposal shall be retained by the Organiser.

If an exhibitor fails to comply with any of the above requirements relating to the removal, recycling, donation and/or disposal of goods, exhibits, materials, rubbish and/or refuse, the Organiser reserves the right to penalize such exhibitor at its sole and absolute discretion, including but not limited to requiring the exhibitor concerned to pay a performance bond or any extra deposit for the exhibitor’s application to participate at any future Fairs, delaying the exhibitor’s turn in selecting a stand at any future Fairs, and/or to ban the exhibitor from participating in any future Fairs.”

3.25.10 Decoration of Booth

No stickers, poster hangers or other materials will be allowed to hang on fascia. The Organiser reserves the right to remove any exhibits or publicity materials at the exhibitor’s expenses which are considered not conforming to the standard and set-out of the exhibitor or do ***not*** fall within the exhibit description of the exhibition.

3.25.11 Organising Special Events inside the Exhibition Booths

To safeguard the interests of all exhibitors and enhance the orderly flow of visitors at the fairground, should any exhibitor wish to organise special events, or invite movie stars, celebrities or singers to attend marketing functions, prior written approval from the Organiser is necessary. Prior to publicising and marketing such special events, exhibitors should ensure that sufficient security guards will be hired for crowded control, so that the events will not cause any inconvenience to other exhibitors. The Organiser maintains the right to ban unauthorised special events.

Depending on the number of concurrent special events and the projected traffic flow of visitors, the special events are subject to be rescheduled to another time slot. Also, should a special event incur roadblocks or other inconvenience to visitors, the Organiser reserves the right to give a halt on such special event.

Should you be interested to organise special events inside your exhibition booths, please submit the event details (date, time, format, number of crowd control personnel deployed, etc) in writing to the Organizer at least 30 days before the commencement of the HKTDC Home Delights Expo.

3.25.12 Canvassing

- (i) Publicizing before or during the fair the sale of a limited quantity special edition at the fairground without obtaining prior approval from the Organiser is strictly prohibited.
- (ii) Canvassing in any form outside exhibitors' stand area is strictly forbidden. Any exhibitor found canvassing in aisles or other common areas will be liable to expulsion from the exhibition.
